

Please, stop Sinclair Broadcasting's from forcing their stations to air an anti-Kerry documentary days before the election. This so goes against a free media system and especially shows why we should NOT allow multi-conglomerates to own so many TV and radio stations.

They are using this their power to heavily influence the vote. This is not what a free society is about.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. This really scares me! Thank you.
